EVENT STARTER GUIDE

BEFORE YOUR BEGIN

If you are overwhelmed at the thought of hosting an event, breathe easy. This guide will help walk you through the nitty-gritty details. Download Event Planning 101 located on the [Revive Our Hearts Event Kit](#) page.

1. CHOOSE YOUR EVENT TYPE

First, choose the theme for your messages. We'll suggest messages we recommend for your event for each theme based on the length of your event. True Woman messages focus on five major themes:

Seeking God for Revival—It is not hard to see that this is a crucial time in the United States and around the world. If you long for the Lord to intervene in a great, transforming visitation of His Spirit, we'd love to come alongside you with these powerful video messages. May He use them—as well as your life—as instruments to revive the women in your sphere of influence.

Understanding True Womanhood—Gender is a hot topic these days. And no wonder, as manhood and womanhood exist for no lesser reason than glorifying God and putting the gospel of Jesus Christ on display! Choose these videos to learn just how profoundly gender really does matter.

Living Out True Womanhood—Are you experiencing the freedom, fullness, and fruitfulness Christ came to give you? If not, we think we can help. Choose these videos and allow Him to transform you into a godly woman from the inside out.

Living Out Titus 2—The message of Titus 2 is essential for every Christian woman to flourish. It's a powerful vision for all women—from older women to young girls—to live out the transforming gospel together, growing the entire Body of Christ to be more beautiful. Select these videos for a fresh perspective on a woman's divine calling.

Topics for True Womanhood—Fear. Trust. Control. Surrender. These are just a few of the choices godly women face on a daily basis. Choose these videos for pertinent topics that affect every woman's life.

Becoming a Woman of Prayer—God loves the prayers of His people. Choose these videos and ask God to help your women become warriors whose prayers have lasting impact upon future generations.

2. CHOOSE YOUR SCHEDULE

Next, you will need to decide which type of event you are hosting. The *Revive Our Hearts* Event Kit has suggested schedules for the following kinds of events:

- a small group (four or eight week)
- an Adorned small group (fourteen weeks or two seven-week classes)
- an evening event (True Woman Night)
- an overnight event (True Woman Girlfriend Weekend or True Woman Retreat)
- a three-day conference

Once you have chosen your format, we'll suggest how many messages you'll need. Feel free to tweak our suggestions based on your specific circumstances. These are only suggestions. The PDF for the schedules is located on the [Revive Our Hearts Event Kit](#) page.

3. CHOOSE YOUR MESSAGES

Once you make these two decisions, choose the intersecting box on the [Revive Our Hearts Event Kit](#) the page to see what messages are recommended. Each message on the list will link you to the page where the message is hosted. On that page you'll find:

- Message title
- Speaker name, picture, and bio
