Calling Women to Freedom, Fullness, and Fruitfulness in Christ

His Word Is Wonderful

The Word of God: “Isn’t it precious? Isn’t He precious? Amen and amen.”

Nancy DeMoss Wolgemuth asked these heartfelt questions recently as she spoke candidly about the beauty and transforming power of the Bible. Out of the overflow of a heart that deeply treasures the Word of God—and without using notes—Nancy shared five reasons Scripture is her ultimate source of life and strength:

HIS WORD IS A BLESSING. “The more time we devote to putting God’s Word under a microscope—reading it, thinking about it, meditating on it, praying through it, trying to understand it, responding to it, trembling at it. The more time we invest in this Book, we’re blessed.”

HIS WORD IS LIFE-CHANGING. “The Word of God, infused into our spiritual veins, is powerful. It’s transformative. It gives us perspective of everything that’s going on around us.”

HIS WORD IS A GIFT TO OTHERS. “[The Word] not only feeds my soul, but it gives me something to feed other hungry and hurting and needy souls.”

HIS WORD IS WORTH IT. “Maybe it’s getting up just a little bit earlier to read just a little bit more. Maybe it’s sitting and soaking in one chapter for days or weeks—get in it. Get it into you. Ask God to help you understand what you don’t understand.”

HIS WORD IS WONDERFUL. “Love God’s Word—through that you will come to know and love God. And you will experience His love for you.”

Revive Our Hearts exists to help women experience the wonder of Scripture. The Creator of the universe wrote a Book—and it’s yours to study, yours to share, and yours to behold today.

The Word Is Alive in Brazil

ONE WOMAN'S PRAYER SPARKED A WILDFIRE OF REVIVAL

Nearly fifteen years ago, one woman named Cindy Rast prayed that God would use *Revive Our Hearts* to spread His Word through Brazil like wildfire—and He has. In March, Mary Kassian joined *Aviva Nossos Corações* (*ROH* in Portuguese) for events in Brazil, where women came ready to respond to the Word of God.

“It felt like the fruit was ripe and falling from the trees,” Mary said. Young women eagerly crowded the front rows, and others came forward to give their lives to Christ. Several shared how God had used *True Woman 101* and *201*.

Though Cindy has gone home to be with the Lord, the tour was a reminder that God’s Spirit is indeed moving across South America. May the Lord continue to transform the lives of Portuguese-speaking women for the glory of His name.

“My prayer and my heart’s desire is that this message . . . will spread like fire.”

Women Feast on God’s Word in Spain

CONFERENCE UNITES WOMEN FROM ACROSS EUROPE

In March, *Aviva Nuestros Corazones* (*ROH* in Spanish) hosted a two-day event called *Ishah: The Glory of Womanhood*. This conference, held in Granada, Spain, sold out without any official promotion and united one thousand women from across Spain, Europe, and parts of Central America.

Women reported how God spoke through His Word, showing them how to live for Him in their specific circumstances. As one woman said, “I arrived hungry for Him, and He has given me a banquet.” It’s our prayer the Lord will continue to bear fruit in the lives and communities of everyone who attended.

“Thank you for coming to Spain,” one woman said. “We have been praying for years for an event like this, and God has made it possible at this time.”

A New Way for Teen Girls to Connect

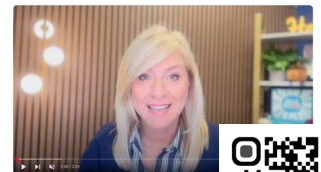

APP WILL HELP YOUNG WOMEN GET INTO GOD'S WORD

At *Revive Our Hearts*, we're passionate about helping teen girls know and love God's Word. The Wonder app for thirteen- to seventeen-year-olds, set to launch in 2026, aims to do just that. With daily videos, the full text of the Christian Standard Bible (CSB), and interactive tools in a vibrant, teen-friendly interface, this new platform will offer a safe space for young women to explore Scripture.

Through a close partnership with Dannah Gresh and her team, we're designing the Wonder app to help young women across the world see their identity, friendships, choices, and faith in the light of God's truth.

Join us in praying for our digital team, content creators (who plan to create a full year of content before launch), and donors who will fully sponsor the production and launch of the app on Apple and Android platforms. Most of all, pray that this project will empower a whole new generation of girls to live boldly for Christ!

Hear Dannah explain why the Wonder app will speak to teen girls in their language when you watch the video at ReviveOurHearts.com/WonderNews2025.
