Calling Women to Freedom, Fullness, and Fruitfulness in Christ

### Your Invitation to Dwell in God's Presence

"One of the most significant influences of my childhood was the example of parents who practiced the spiritual discipline of a daily devotional life," wrote Nancy DeMoss Wolgemuth in *A 30-Day Walk with God in the Psalms* nearly twenty-five years ago. In her introduction to *Dwell*, the recently updated edition, she shares that her appreciation for this spiritual heritage has only increased:

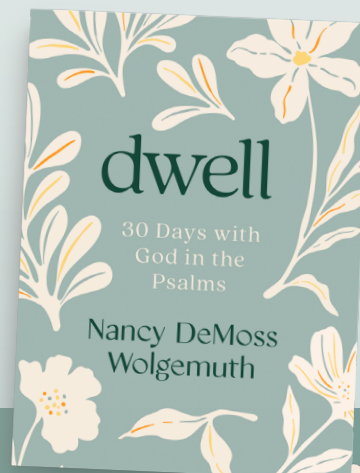

Now more than ever, the practice of a devotional life has proven to be both an absolute necessity and an indescribable privilege.

The Psalms have played a vital role in my spiritual pilgrimage. Reading, studying, memorizing, meditating on, and praying through the Psalms has taught me much about the heart and ways of God. The songs and prayers of the psalmists have helped me express the deepest joys, concerns, questions, and sorrows of my own heart to the Lord. They have tutored me in a lifestyle of praise and worship and have revealed the Lord Jesus to me.

In *Dwell*, Nancy has chosen thirty of her favorite psalms and provided prompts to help you make them a part of your life.

Each of the psalms in God's Word is an inexhaustible gold mine of truth. Even after mining them for years, I still keep finding riches I had previously overlooked. . . . My goal is simply to whet your appetite for getting into the Word and to give you a taste of the feast that is available for those who are hungry to know Him better.

"For the next thirty days," Nancy writes, "I invite you to find a quiet place and time each day, to open your Bible and your heart, and to know, worship, and enjoy God in a fresh way. Come with me and dwell with Him. I guarantee you'll never be quite the same."

THIS SUMMER

### Take the 30-Day Challenge

Ready for a challenge? For the next thirty days, make it your goal to spend time each day alone with the Lord—in His Word and in prayer. Share your commitment with another believer who can encourage you, and if you miss a day, don't give up.

Need a fresh place to meet with God? *Dwell* is a newly updated devotional that guides you through thirty psalms to quiet your heart and refocus your soul on Him. We'll send you this refreshed resource for a gift of any amount.

"As a fellow traveler," Nancy writes, "I say to you with confidence, 'This God, our God forever and ever—he will always lead us' (Psalm 48:14)."

# Share Her Wonder

SPREAD GOD'S WORD AND WONDER  
WITH WOMEN WORLDWIDE

June is Revive Partner Month at *Revive Our Hearts*! It's our opportunity to thank the hearts and hands God has brought alongside us to make this ministry possible.

Recently, we asked our partners to share how God has used this year's Read Through the Bible initiative in their lives. Here's what a few of them said:

The Read Through the Bible emails have been wonderful to start my day. I feel like I'm accountable to you and it helps. I've never read straight through before, so this is my first year to do it. It has been a blessing!  
—"Melody"

My three daughters, my sister, and I are all reading through the Bible with *Revive Our Hearts*. It has been such a blessing for all of us. We created a group text where we can comment on the daily reading or ask questions and search for answers.  
—"Diane"

If you'd like to join us in our mission to bring freedom, fullness, and fruitfulness in Christ to women around the world, consider becoming a Revive Partner today!

## 2026 Staff Summit

A TIME TO SEEK THE LORD TOGETHER

This spring, the entire *Revive Our Hearts* team gathered virtually for our 2026 Staff Summit—a time set apart to seek the Lord together.

With the theme "Tune My Heart," we invited the Lord to quiet distractions, center our hearts, and draw us into deeper fellowship with Him and with one another. Our time was marked by worship, prayer, celebration of God's work, and thoughtful alignment for the seasons ahead.

 TUNE MY Heart

We count times like this a great joy! They create space for ministry-wide connection, relationship-building, cross-cultural engagement, and shared vision for the future—strengthening our global team so that our impact can continue to grow.

Nancy has returned to the studio and resumed recording *Wonder of the Word* programs. Praise God that in the midst of her grief following the loss of her husband, Robert, she has experienced the Lord's sustaining grace.

## A Decade of Impact

CELEBRATING GOD’S WORK IN SOUTH AFRICA

What began with one woman’s burden for women in South Africa to know God’s Word and embrace His calling has grown into a thriving ministry. As *Revive Our Hearts South Africa* celebrates its tenth anniversary, we thank the Lord for all He has done over the past decade.

Launched in 2016 by a team of six volunteers, the ministry now reaches women across the country through podcasts, online Bible studies, conferences, print resources, and social media. Currently, they distribute the *Seeking Him* podcast via WhatsApp in seven of South Africa’s twelve official languages, including South African Sign Language. They’ve printed seventeen *ROH* resources—six in Afrikaans and eleven in English—and have hosted nine conferences and one women’s camp.

Director Retha de Villiers shared, “We are inspired by the commitment of our team, the generosity of our partners, and the hunger of women across South Africa for truth and transformation.”

Retha de Villiers and Theresa Rabie visit the YouVersion office in South Africa, which opened in February. YouVersion selected *ROH South Africa* as one of four ministries to develop reading plans.
