May Christ Be Magnified

CELEBRATING 25 YEARS OF GOD'S FAITHFULNESS

For twenty-five years, we've watched Jesus bring freedom, fullness, and fruitfulness to the lives of women around the world through the ministry of *Revive Our Hearts*. This anniversary celebrates twenty-five years of God's faithfulness. Twenty-five years of calling women, in every season of life and every generation, to joyfully say "Yes, Lord!"

Our message has remained the same because He remains the same. To Him alone be the glory—today, tomorrow, and forever.

25th
ANNIVERSARY

WE'RE STILL SAYING

“Yes, Lord!”

How much can happen in a quarter century? Think of your own life, and you'll likely be amazed. Little girls grow up and become mothers. Young brides begin to notice silver in their hair. Family tables grow longer. Photo albums grow thicker. Wrinkled faces tell stories of God's faithfulness. A lot can happen in twenty-five years—but only the Lord can take one surrendered “Yes, Lord!” and multiply it into a legacy of grace.

“I began listening to *ROH* from its beginning. I was a young wife and mother at the time, and my mom, sister, and I listened regularly and talked about what we were learning.

In 2007, my husband and I moved to Brazil as missionaries, and Nancy disciplined me across thousands of miles, equipping me to disciple my Brazilian sisters in Christ. Today, the ladies in my church here in Brazil listen to *Revive Our Hearts* in Portuguese.

Last year, my mom took my daughter and daughter-in-law to True Woman '25. Another generation being disciplined! I am grateful for the way God has multiplied and strengthened His Church through *ROH*.” —*Revive Our Hearts* listener

The Heart of the Ministry

CHRIST REMAINS OUR UNCHANGING
HOPE AND MESSAGE

The message of *Revive Our Hearts* has remained the same for the past twenty-five years. We're still proclaiming the timeless truth of freedom, fullness, and fruitfulness in Christ because "Jesus Christ is the same yesterday, today, and forever" (Heb. 13:8).

As we celebrate this special milestone, we're filled with both gratitude for God's faithfulness and great anticipation for what He has planned in the years ahead.

Our prayer today echoes Nancy's words on the eve of the first broadcast: that the Lord would continue to turn hearts toward Himself and be magnified as women around the world joyfully answer His call with "Yes, Lord!"

With a passion for God's Word and a heart for women, Nancy launched the *Revive Our Hearts* broadcast in 2001.

The message of heart revival and biblical womanhood began reaching women across the nation.

Thousands of women have been encouraged through the daily radio ministry and events like True Woman.

Resources and live events have equipped women to grow in Christ and surrender their lives to Him.

Twenty-five years later, the mission continues with the same heart and a vision to share the wonder of the Word.

“

How I pray for a movement of Your Spirit that cannot be explained in terms of human effort.”

The Prayer that Shaped the Ministry

GOD HAS ANSWERED WITH COUNTLESS TRANSFORMED LIVES

The night before the *Revive Our Hearts* theme song first filled the airwaves, Nancy Leigh DeMoss [Wolgemuth] poured out her heart to the Lord in her journal:

I stand in awe of Your providential hand and all You have done to bring this ministry to fruition. What a wonder it has been to see You at work, orchestrating all the pieces in a way we never could have done.

The following day, the radio program would debut, but this tender prayer reveals the foundation on which *Revive Our Hearts* would be built.

“

Samuel took a stone

and set it upright . . . He named it Ebenezer, explaining, “The LORD has helped us to this point.”

—1 Samuel 7:12

Nancy recorded the first *Wonder of the Word* program, launching an initiative to teach through the entire Bible and usher in an exciting new season of ministry.

O Lord, would You be pleased to multiply the seeds we have sown and produce a great harvest of revival and righteousness in the lives of women. How I pray for a movement of Your Spirit that cannot be explained in terms of human effort.

Looking back over the past twenty-five years, it’s impossible not to marvel at the ways God has answered that prayer. The Lord has used the ministry of *Revive Our Hearts* to awaken women to the beauty of repentance, revival, and wholehearted surrender. Through radio broadcasts and podcasts, books and Bible studies, around kitchen tables and in conference halls, women across the world have encountered the hope and transforming power of Christ.

A Global Reach

GOD'S TRUTH IS SPEAKING TO WOMEN IN THEIR OWN LANGUAGES

Across languages, cultures, and continents, God is drawing women to Himself through the truth of His Word—and using *Revive Our Hearts* resources in deeply personal ways. He is strengthening marriages, building up local churches, and reminding women everywhere that they do not walk alone. From Spanish, our first global ministry, to teaching in Farsi, French, Hindi, and more, here's a peek into how God is awakening hearts around the world.

“

I am a mother of eight, so my life is busy—but God has provided a way for me to stay in His Word. I listen to the Bible and *Revive Our Hearts* teaching. It's so refreshing to see someone teaching the Word of God without mixing it with this world's wisdom. Few people in my country (Poland) do so, and I am grateful for the encouragement God provides through your website. Worthy is the Lamb! —“Krystyna”

Designed for His Glory

CONTINUING TO CELEBRATE BIBLICAL WOMANHOOD

A simple “Yes, Lord!” led to the first True Woman conference in 2008, where thousands of women gathered to celebrate biblical womanhood and the joy of embracing God's beautiful design. Nearly two decades later, women from around the world will gather again—not only to delight in God's design for womanhood but also to pass the True Woman message on to a new generation.

At True Woman '27 in Indianapolis, thousands of women will open God's Word together, lift their voices in worship, and celebrate His good design. Will you be among them? Registration is open, with **Super Early Pricing available until October 31.**

“This is the third time I’ve done the 30-Day Husband Encouragement Challenge in French in less than a year. God is changing my heart. I need Jesus! But with God all things are possible, and I have a feeling I can see something happening. Hallelujah. —“Marion”

“I am very grateful for the resources I was able to order! I started a weekly women’s Bible study with the sisters in our local church. They are all Nepali refugees, and many have been saved from Hinduism only a few years ago. The themes have been so relevant for us. —“Dania”

“Over a year ago, a sister created a WhatsApp group to share the devotionals from *Aviva Nossos Corações*, and since then, this ministry has been an instrument of God in my life. I have faced many struggles, but I no longer walk alone. —“Raquel”

CELEBRATING 25 YEARS
WITH 2,500 BIBLES

In honor of *Revive Our Hearts* 25th anniversary, we’re sharing the wonder of God’s Word with incarcerated women by placing 2,500 Bibles into the hands of women in twenty-five prisons. Our prayer is that each Bible will bring the truth, hope, and life-changing power of Scripture to every woman who receives one.

Along with each Bible, every woman will receive a gospel tract written by the *Revive Our Hearts* Team.

Revive Partners and staff members packed Bibles and tracts with a message of hope to be delivered to 2,500 incarcerated women.
