

The background of the entire page is a photograph of two women sitting on a beach, seen from behind. They are looking out at the ocean under a bright, hazy sunset sky. The lighting is warm and golden, creating a peaceful and contemplative atmosphere. The women's hair is long and wavy, and they are wearing dark-colored clothing. The overall composition is centered and balanced, with the text overlaid on the lower half of the image.

Revive Our Hearts™

Impact

the hearts of women

Partner with *Revive Our Hearts*
in calling women to freedom,
fullness, and fruitfulness in Christ.

Mission

Believing that the gospel is the source of True Hope and that God alone is able to revive hearts, homes, and churches, and communities, *Revive Our Hearts* seeks to help women to experience His transforming presence through various outreaches, including:

- Two daily radio programs
- Multiple podcasts
- Conferences and events
- Bible-centered studies and resources
- Online blogs and social media

Distinctives

These are the standards that make us unique.

TIMELESS

We elevate the timeless truths of Scripture. Our message transcends pop culture, demographics, and national boundaries.

SOLID

We boldly call women to build their lives on the solid foundation of God's Word. Our message is not haphazard or uncertain.

PROBING

We encourage women to respond to Scripture with their mind, heart, and will, urging them to "take it home" and "make it personal."

PRECISE

You won't find fluff here. We quickly get the reader or listener to the Truth of Scripture.

RELATIONAL

We believe that women modeling godliness and teaching other women through intergenerational relationships (Titus 2:3-5) is vital for the church to survive and thrive.

A Vision for

2020

As we look back over the past twelve months of ministry, we see countless evidences of God's faithfulness, for which we give Him thanks.

As we look forward to the months ahead, we stand in awe of the opportunities He has placed before us to make an eternal difference in the lives of women around the world. We echo the words of the psalmist: "This is the LORD's doing; it is marvelous in our eyes" (Psalm 118:23).

These are days of great harvest. And they are days of great need. As *Revive Our Hearts* Founder and Bible teacher Nancy DeMoss Wolgemuth often reminds us, "Anything that makes us need God is a blessing"! We look to Him to meet every need, and we are grateful for the many dear friends who have joined us in this mission.

Please pray about how you can partner with us in the year ahead. As the Lord provides, we will move forward with the ministry enhancements and expansion outlined in the following pages.

Our daughters &
granddaughters
need the Truth.

Nancy has a strong desire to pour into the next generation. She is seeking to intentionally invest in the next generation of Bible teachers and leaders so *Revive Our Hearts* can make an impact that outlasts our current leadership and voices.

The ministry is taking strategic measures to reach and equip the next generation and beyond.

Impact

the *next* generation

1.

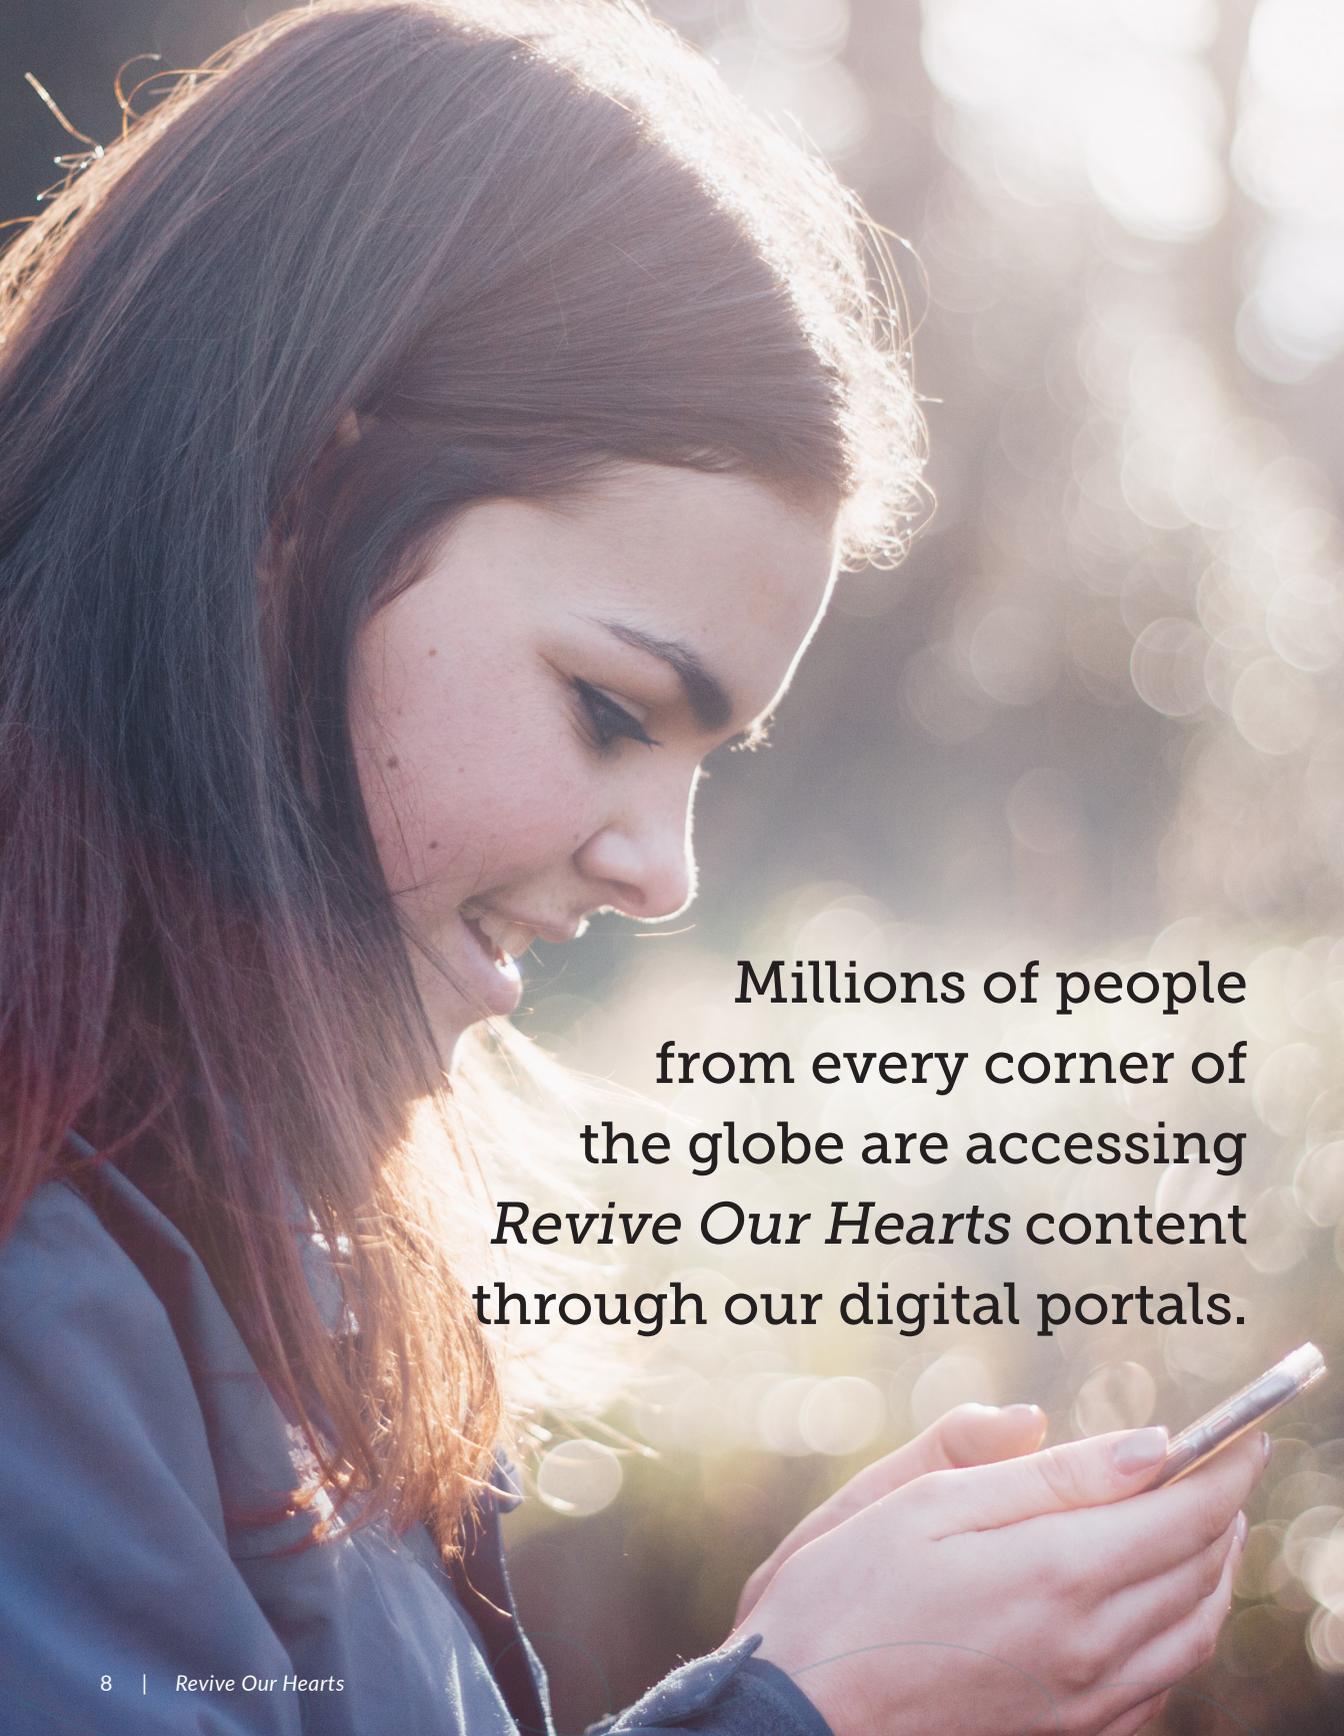

Update elements of our program, website, and print materials to demonstrate concern for and intentionality in reaching younger audiences with the same timeless Bible teaching you've come to count on.

2.

Build an event team of current and next-generation Bible teachers to deliver *Revive Our Hearts* events in local churches and regional settings.

3.

Develop a podcast company that introduces new voices to the ever-growing platform of podcasting. Our podcast family will be supported by the staff and resources of *Revive Our Hearts* and will communicate the timeless message of God's Word to a new generation of women.

Millions of people
from every corner of
the globe are accessing
Revive Our Hearts content
through our digital portals.

New platforms provide new opportunities to share God’s Word with people around the globe. Digital listens to our content worldwide over the last year grew from 37 million to 66 million. We can reasonably assume this number will grow to 100 million listens in the next 12 months and we see new opportunities to capture hearts and minds through digital platforms.

“*Revive Our Hearts Global*” is a web-based platform that will allow women to access life-changing resources in their own language. This tool is initially being launched in six languages, with additional languages to be added in future years.

Ministries often lag behind in the areas of technology, best practices, and infrastructure that best service their constituents. Some of our current systems are in need of updates, and we need additional support staff in key areas.

Impact

our digital reach

1.

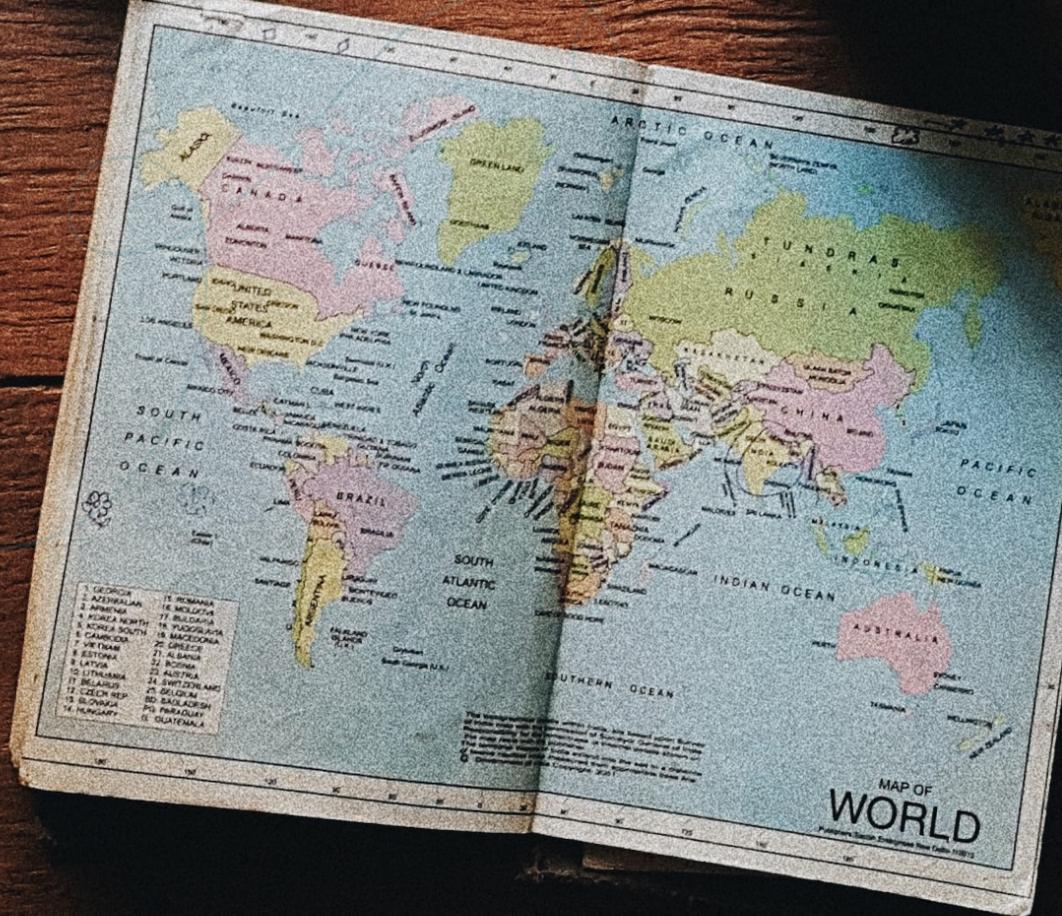

Additional functionality for our database allowing ministry partners to access and update their own ROH account.

2.

Additional staff for our ministry services department, to enable us to have the majority of our inbound calls answered by our own caring staff rather than being outsourced.

3.

Additional administrative support staff to free up our leadership team to better focus on areas of ministry effectiveness and development.

More and more
countries are pleading
for our message.

Aviva Nuestros Corazones (ANC), our daughter ministry in Latin America, was launched just seven years ago and is flourishing and rapidly growing. Since the launch of ANC, God has provided opportunities for expansion in other areas of the world, such as South Africa, Europe, and among Farsi-speaking women.

Impact

our global expansion

1.

Hold more ANC conferences throughout the Latin world, including future *Mujer Verdadera* (True Woman) conferences in Latin America every three years.

2.

Expand the Ambassador network by training, resourcing, and mobilizing international volunteers who are eager to see women reached with this message in their country or culture.

3.

Respond to requests to develop and distribute *Revive Our Hearts* content in additional languages.

Dear Ministry Partner,

We pray that women will be revived as they encounter Him through the outreaches of *Revive Our Hearts*.

The ministry is experiencing a season of great growth and blessing, along with accompanying challenges. We are grateful for both, as they keep us aware of how much we need the Lord.

As we look forward, we acknowledge that God is our Provider. Throughout the nearly twenty years we have existed, He has proven Himself faithful in meeting the financial and staffing needs of the ministry. We desire to wisely steward the opportunities He has given us and to navigate the challenges ahead with integrity and a focus on Him.

We are honored to have you partner with us in this mission as we continue to call women to seek the Lord and to reflect His beauty in our world.

Gratefully,

Nancy
