Dear Ministry Partner,

In over forty-five years of ministry, I've never felt more passionate about an undertaking than I do about Wonder of the Word. We're asking God for a movement of true revival as we invite women around the world to learn, love, and live out His precious Word together.

This initiative is for our generation and for generations to come—for our children and their children. Would you prayerfully consider how the Lord might be leading you to join us?

Gratefully,

Nancy DeMoss Wolgemuth
Revive Our Hearts Founder
and Bible Teacher

Our Mission

Revive Our Hearts remains committed to calling women to personal heart revival, a daily devotional life, and God's design for womanhood.

The Wonder of the Word project is an opportunity to amplify our efforts to get women around the world into the Word of God. The pages that follow outline an opportunity to participate in what God is doing through this unique season.

GOD'S WORD

Getting women into the Word and getting the Word into them.

REVIVAL

Fanning the flames of personal heart revival and praying for a movement of corporate revival in the Church worldwide.

BIBLICAL WOMANHOOD

Calling women to embrace and live out God's good design in every season and sphere of their lives.

**“If I could get out one message, it’s this:
Get into the Word. Get the Word into you.”**

—Nancy DeMoss Wolgemuth

2025–2027: Fuel Ministry Growth International Expansion

- **Bible teaching podcasts in multiple languages (2025–26)**

Introduce *ROH* teaching to new audiences to prepare for the 2027 journey through the Bible. The following languages are currently on board to produce half-hour podcasts and short features for 2025–2026: English, Spanish, Portuguese, Turkish, German, Kurdish, Afrikaans, Farsi, French, Khmer, and Vietnamese. Many additional languages are in the planning stages.

- **Growth of *ROH* international teams**

Our teams in Latin America, Brazil, Germany, South Africa and other locations are continuing to grow their outreaches. New international teams are forming and require funding to get off the ground.

2025–27

2025–2027: Fuel Ministry Growth

Expansion of Outreaches

- Mentor, equip, and mobilize **local church women's ministry leaders**.
- Build audience awareness and engagement, setting the table to spread the Wonder of the Word content. Engage new donors to **support ministry growth**.
- **Online training and equipping events:** registration fees will help cover event costs. Additional funds are needed to produce content and promote.

Additional Leadership and Support Staff

- Current staff needs include: two individuals to step into senior leadership roles, international director, technology officer, audio producers, digital programmers and support staff.
- Build the Bench: we are working to identify and engage new and existing staff to provide next-generation leadership.
- As we move toward the end of this decade, we are praying for a few key women to come alongside Nancy in teaching and content roles.

2025–27

2027–2030

We are prayerfully seeking the Lord about the following events:

- **Mujer Verdadera (True Woman) '27:** We anticipate 5,000 or more women gathering on-site in Barcelona, Spain and tens of thousands more participating online.
- **True Woman '27:** Once again, thousands of women will come together in-person and online for a weekend of Christ-centered, Word-based teaching and worship.
- **ROH Global Summit '30:** This catalytic event would bring women together from around the world to focus on revival and biblical womanhood, multiplying the message to more women, people groups, and nations.

2027–30

2030: New Devotional Study Bible (CSB) Capstone of Wonder of the Word Initiative

The notes from this Bible draw on a lifetime of Nancy's personal meditation and journaling in the Word, as well as her writing and teaching ministry. In addition to the CSB Bible text, included are:

- Study notes, insights, and devotional content
- Articles and callouts featuring key biblical themes
- Profiles of men and women of Scripture whose lives point us to Christ
- Prayers from the heart, in response to the Word
- Special emphasis on the grand, redemptive narrative of Scripture and the person and work of Jesus

“

“Through her books, podcasts, and speaking events, there are millions who have benefited from Nancy's faithful ministry over the decades. We couldn't be more honored at the opportunity to extend the Christ-exalting legacy Nancy's ministry has come to represent through the publication of a CSB Bible featuring content captured from her years of walking through Scripture.”

The Word

What a wonder it is.

It will light your way in the darkness.

It will calm your anxious heart,
heal your wounds,
warn you of danger,
protect and cleanse you from sin,
and make you wise.

It will bring you joy.

It is bread. It is water.

It is a counselor. It is life.

It is satisfying. It is sufficient.

It is supreme. It is supernatural.

It will lead you to Christ,
the living Word.

And the sight of Him will change you
forever.
